Working Environment

MI Express Urgent & Primary Care takes great care in selecting staff members to join our expanding practice. We recognize the importance of each individual team member to the makeup of the practice as a whole, with their contributions directly leading to the success of the clinic. As such, we want team members that fit our company culture of empathy, responsibility, communication, good character and openness. We have an open door policy and stress the importance of communication in our office.

Social events are planned throughout the year to bring family and friends of the practice together outside of the office. The administration at MI Express Urgent & Primary Care recognizes the importance of maintaining balance between your career and personal interests. Our administration will help any staff member achieve their goals to the best of our ability.

We are looking for qualified candidates to join our growing team. Please email your resume and cover letter to admin@miexpresscare.com.
