

Your Go-To for Care That Keeps Life Moving

GetWell Urgent Care makes it easy to get the care you need, whether it's a sudden illness, minor injury, or routine checkup. Serving Merced, Santa Clara, and San Jose, our team provides fast, reliable care with walk-in visits, on-site diagnostics, and virtual options. We also evaluate and manage a range of health concerns, including vein-related conditions, so you can get timely support without the wait.

Our Approach to **Better Care**

GetWell Urgent Care provides comprehensive medical care for everyday health needs. From urgent care and preventive services to managing common conditions, our experienced providers focus on accurate diagnosis and effective treatment. We treat a wide range of concerns, including infections, minor injuries, and circulatory issues, while prioritizing comfort, efficiency, and personalized care. With minimal wait times and a patient-first approach, we make healthcare simple and accessible.

Know When a Sore Throat Needs Testing

Not every sore throat is serious, but symptoms like high fever, severe pain, or difficulty swallowing may signal strep throat. Knowing when to get tested can help you avoid complications and start the right treatment sooner.
