

Committed to Your Health This February

As February unfolds, GetWell Urgent Care continues to support the health of individuals and families across Merced, Santa Clara, and San Jose. Our dedicated medical team delivers patient-centered care for urgent concerns, routine checkups, and preventive needs, all in a setting designed for comfort and convenience. With on-site diagnostics, flexible clinic hours, and virtual visit options, we make it easier to get the care you need, when you need it.

### ABOUT THE PRACTICE

GetWell Urgent Care is focused on providing accessible, high-quality medical care with compassion and efficiency. Our clinics treat everyday illnesses, minor injuries, and ongoing health concerns while also supporting preventive care to help patients stay well year-round. Led by certified providers, our team delivers attentive, patient-centered care with on-site diagnostics, streamlined visits, and virtual care options, making healthcare convenient without compromising quality.

#### How the Body Heals and Repairs Itself After a Wound

When you get a cut or injury, your body immediately starts repairing itself, clotting, cleaning, and rebuilding tissue. Supporting this process with proper care, rest, and nutrition can speed recovery and reduce complications. At GetWell Urgent Care, we're here to guide you every step of the way so you can get back to your routine with confidence.
