

Supporting Your Health This March

This March, GetWell Urgent Care continues to support individuals and families across Merced, Santa Clara, and San Jose with convenient and reliable medical care. From sudden illnesses and minor injuries to routine checkups and preventive services, our experienced providers are here to help. With walk-in visits, on-site diagnostics, and virtual care options, getting timely treatment has never been easier. Our goal is to make quality healthcare accessible so you can focus on feeling your best.

ABOUT THE PRACTICE

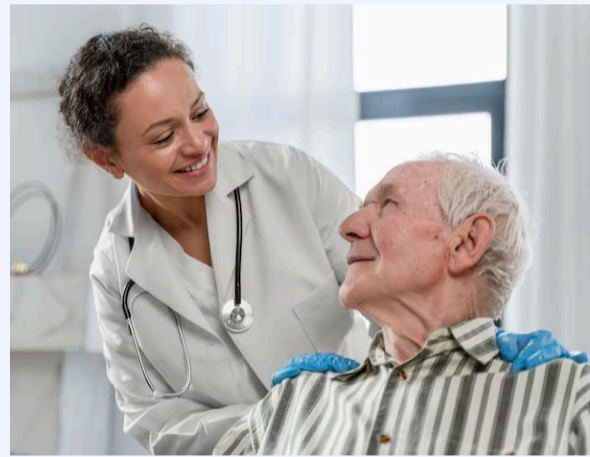

GetWell Urgent Care is dedicated to delivering convenient, high-quality medical care with a compassionate, patient-first approach. Our clinics treat everyday illnesses, minor injuries, and ongoing health concerns while emphasizing preventive care to support long-term wellness. Led by certified providers, we offer attentive, personalized care with on-site diagnostics, efficient visits, and virtual care options—making it easier to get the care you need without compromising on quality.

Our Services

Stay Strong with Proactive Geriatric Care

Regular geriatric exams help detect health concerns early and support overall well-being as you age. Our providers conduct comprehensive health evaluations, review medications, and offer personalized guidance to help seniors stay active, independent, and healthy.

Signs Your Asthma May Need Medical Attention Right Away and Monitoring

Asthma symptoms can sometimes become more frequent or harder to control. Increased wheezing, shortness of breath, or needing your inhaler more often may be signs that your asthma needs medical attention. Early care can help prevent severe flare-ups and keep your breathing under control and improve your overall quality of life long term.
