

Stay Healthy and Keep Moving with Care You Can Trust

GetWell Urgent Care provides fast, reliable medical care for a wide range of non-emergency health concerns. From sudden illnesses and minor injuries to preventive services, our team is committed to helping patients feel better without long wait times. In addition to urgent care, we specialize in evaluating and managing vein-related conditions, offering timely support for concerns such as poor circulation and related symptoms. With convenient locations in Merced, Santa Clara, and San Jose, we make it easy to access quality care when you need it most.

ABOUT THE PRACTICE

GetWell Urgent Care focuses on delivering comprehensive, patient-centered care for both immediate and ongoing health needs. Our experienced medical team is skilled in diagnosing and treating a wide range of conditions, including infections, minor injuries, chronic concerns, and vein-related issues. We combine clinical expertise with on-site diagnostics and efficient workflows to ensure accurate evaluations and effective treatment plans. What sets us apart is our commitment to accessibility, minimal wait times, and a personalized approach that prioritizes each patient's comfort and overall wellness.
